Dedicated and enthusiastic Frontend Developer with 2 months of hands-on experience in creating responsive, user-friendly web applications using HTML, CSS, and JavaScript. Proficient in React, with a strong eye for design and detail. Eager to contribute to dynamic development teams and grow in the field of web development.

Skills

- **Web Development Technologies :** HTML , CSS , React, Tailwind CSS , CSS preprocessors , Bootstrap , web design , API , user-friendly interfaces
- **Programming Languages :** C++, JavaScript, and Python
- **Database Technologies :** MySQL
- **Web Design and Development Platforms :** Webflow

Experience

CodeClause Internship   **01 August 2023 - 01 September 2023**
Web developer intern

- Developed and maintained responsive web pages using HTML, CSS, and JavaScript for optimal cross-device experiences.
- Collaborated with senior developers to implement and optimize features, enhancing site functionality and performance.
- Assisted in debugging and troubleshooting code to improve web application quality and reliability.

ADROIT MONKEY , CHENNAI   **01 June 2023 - 01 August 2023**
Front-End developer intern

- Created and maintained responsive web applications using HTML, CSS, and JavaScript, ensuring cross-device compatibility and user-friendly experiences.
- Developed dynamic user interfaces with React, enhancing website interactivity and performance.
- Collaborated with cross-functional teams to implement new features, optimize existing functionalities, and ensure timely project delivery.

Project

My Portfolio

- Developed a dynamic React portfolio website with advanced animations and interactive elements.
- Ensured a responsive design for optimal user experience across various devices.
- Demonstrated front-end expertise through complex CSS animations and effective layout management, highlighting personal projects and achievements.

Hensai Academy Project

- Utilized HTML, CSS, JavaScript, jQuery, Tailwind CSS, and responsive design principles to develop engaging and interactive websites.
- Integrated animations and advanced features to enhance user interaction and visual appeal.
- Ensured seamless user experiences through meticulous attention to detail and effective application of design principles.

Education

- **Netaji Subhash Engineering College** *2021-2025*
  - Result: 8.7%
- **Senior secondary[AISSCE], KENDRIYA VIDYALAYA NO-2 Kharagpur** *2020-2021*
  - Result: 93.4%
- **Secondary[CBSE], KENDRIYA VIDYALAYA NO-2 Kharagpur** *2018-2019*
  - Result: 7.9 CGPA

Achievements

- Teachnook Web Development Course   01 July 2023 - 31 August 2023

  Completed a comprehensive web development course at Teachnook, mastering essential Front End technologies such as HTML, CSS, JavaScript, Rest API,JSON ,Oop and React . Demonstrated proficiency through the successful completion of major and minor projects

- HACKTOBERFEST Participant   01 October 2022 - 30 October 2022

  Actively contributed to the open-source community during HACKTOBERFEST, demonstrating proficiency in collaborative coding and version control.

- HASH CODE Participant   01 January 2022 - 31 January 2022

  Participated in the prestigious Google-sponsored coding competition HASH CODE, showcasing problem-solving skills and algorithmic proficiency.

- 30 Days of Google Cloud 2021   01 November 2021 - 30 November 2021

  Completed an immersive month-long program focused on Google Cloud technologies, gaining practical insights into cloud computing and data management solutions.
